

Notice of Water System Improvements coming in your neighborhood!

Improvements are being made to the water distribution system in the Copperopolis area.

A new distribution tank is being installed, designed to provide you

- Better and more reliable water service.
- Improved flow for fire protection.

Water system shutdowns are planned for the following dates:

- **October 2**, Monday
10:00 a.m. to 8:00 p.m.
- **October 4**, Wednesday
10:00 a.m. to 8:00 p.m.
- **October 6**, Friday
10:00 a.m. to 8:00 p.m.

You will likely experience low pressure or temporary outages during the periods noted above.

To prepare,

- Please eliminate outdoor watering on October 2nd, October 4th, and October 6th.
- Store water for personal use: 1 gallon per person per day is recommended for drinking; 3 to 5 gallons/day/ person for other uses.
- Fill the tub for water storage non-drinking uses (keep pets away!)

If you have questions or if problems occur while the improvement work is underway, contact:

Customer Service: 209 754-3543
