

NOTICE OF INTENT TO ADOPT A MITIGATED NEGATIVE DECLARATION

The Calaveras County Water District (CCWD) intends to adopt a Mitigated Negative Declaration for its Lower Cross Country Sewage Lift Station #21, CCWD CIP # 15054.

Project Description

Calaveras County Water District intends to construct a new 400 gpm Sewage Lift Station including an 8' diameter wet well, submersible and dry pumps, manholes, gravity and force main pipelines, masonry pump house and control building, surge tank system, two 30,000 gallon overflow storage tanks, odor control system, backup generator, motor control center, asphalt and concrete paving, fencing and appurtenances.

Project Location

The project would be located in the La Cobra Mina Subdivision, an unincorporated area in the CCWD Copper Cove service area of Calaveras County, Section 13, Township 1 North, Range 12 East, Mount Diablo Base and Meridian, near the intersection of Copper Cove Drive and Black Creek Drive

Review and Comment Period

Review period: May 22, 2007, through June 21, 2007. Comments on the proposed project must be received no later than June 21, 2007, at the close of business. **Send comments to: Keith S. Dunbar, P.E., F. ASCE, K.S. Dunbar & Associates, Inc., 3035 Calle Frontera, San Clemente, CA 92673-3012 or E-mail: ksdpe@cox.net.**

Scheduled Public Hearing

The Mitigated Negative Declaration will be presented to the Calaveras County Water District's Board of Directors at its regularly scheduled meeting at 9:00 am on July 11, 2007, in the Board Room at 423 E. St. Charles Street, San Andreas, California.
