THE BOIL WATER NOTICE of September 5th, 2026, HAS BEEN LIFTED

The State Water Resources Control Board Division of Drinking Water in conjunction with the Calaveras County Environmental Health Department, and the Calaveras County Water District (CCWD) are advising the Community of Sheep Ranch (47 CCWD connections), served by Water System #0510004-002, that the results of the testing of your water supply have come back absent for bacteriologic contaminants. The potable water supply meets all the state and federal safety requirements, and your water is safe to drink and use as you see fit. *If your street or community is not listed, it was not part of the Boil Water Advisory, and thereby is unaffected by this Boil Water Advisory Lift.*

You no longer have to boil your water
