## July

- July 1 – EPPOC (Regional coordination)
- July 9 – Arnold Library (Community meeting & CCWD education)
- July 15 – CSDA Calaveras Chapter (Local agency collaboration)
- July 24 – Blue Forest Upper Mokelumne IRB Site Visit (Forest health & watershed resilience)

## August

- August 1 – Independence Hall Flea Market (Community outreach & public engagement)

# A UNIFIED VISION FOR CALIFORNIA'S WATER

# Thank You

To everyone who stays a little longer after meetings, thank you. Whether it's after a community meeting, Firewise event, Board, or Committee meeting, those conversations mean the most. They're real, they're honest, and they speak to the kind of community Calaveras is. We're proud to serve Calaveras County and grateful for every voice shared with us.
